

# ZTE Blade E SD Card Replacement

This guide will show you the easy steps in replacing the SD card of the phone.

Written By: Alan Toussaint

## TOOLS:

- [Spudger](#) (1)
-

## Step 1 — Remove back panel

- Using your fingernails or a spudger, remove the back panel of the phone.

## Step 2

- Take out the SD card from the side of the phone.

## Step 3

- Take the new SD card and insert it into the slot.

To reassemble your device, follow these instructions in reverse order.
